

*Why waste your time searching through the flyers in your mailbox and driving all over town checking prices with the competition? It doesn't guarantee the best deal. Let David's do the hard work for you!*

1. We watch our competitor's ads daily — if their price is lower, we adjust our price accordingly.
2. AdCheque is already working for you!
3. If we, or our competitors, lower the price within 30 days, you are entitled to a cheque for the difference!

#### **What's the bottom line?**

*We are competitive! The price you pay today is the best price today, and even better, it's protected for the next 30 days.*

#### **General Policy**

AdCheque protects your purchase price for 30 days from the date of purchase. David's Muskoka Audio Video Unlimited will refund the difference between the purchase price and any advertised price in Ontario.

#### **Conditions**

1. The advertiser must be a Canadian authorized dealer of the product.
2. The advertised product must be of the same manufacturer, model number and carry the same manufacturer's warranty.
3. AdCheque will not be honoured if the advertised pricing is based on limited quantities, demo, clearance, discontinued, close out sale or limited time offers.
4. AdCheque must be compared to any value added services that were supplied with your purchase, ie. product set-up, delivery, accessories, ESP, etc.
5. Due to the additional associated costs, product purchased through Interest Free Financing will not be honoured;
6. Unauthorized Internet advertising excluded.
7. Eligible differences must be greater than five dollars to qualify for refund.

#### **Claim**

Fax, email or drop by David's Muskoka Audio Video Unlimited with proof of advertised product at a lower price than you paid.

"When we visited Audio Video Unlimited for the first time, we were amazed to find all your competitor's ads posted right there in the store!"

"Even better, you had already gone through the ads to make sure your prices were competitive. It was great knowing that we were getting the best price possible on our purchases and that the price would be protected for 30 days."

"Now instead of running all over town and checking prices we will go straight to Audio Video Unlimited and know that we are getting the best price, and the best service, in town."
